### Professional Profile

*I consider myself a very lucky man working as a neonatologist and spending most of my time with such small creatures, helping them to recover, grow and become real angels. I finished my Pediatric residency at Hahnemann University Hospital/ Drexel University in Philadelphia Pennsylvania (1990-1993), followed by a Neonatal-Perinatal fellowship at The Children Hospital of Cincinnati, and University of Cincinnati, Cincinnati, OH (1993-1996). During my Fellowship at The University of Cincinnati I was granted a Clinical Research Fellowship at the Department of Environmental Health (1997-2000). I obtained a Master Degree in Epidemiology and Biostatistics (2000) from the Department of Environmental Health, University of Cincinnati.*

- **Experienced Neonatologist for more than 23 years** in both private and academic neonatology practices in all levels from Level 1 to Regional Medical Centers (Level IIIC).
- **Board certified** in both Pediatrics (1993) and Neonatal-Perinatal Medicine (1997).
- Recertified till 2021 (NPM) and 2016 (Pediatrics)
- Associate Professor of Pediatrics/Neonatology.
- More than 15 years experience as Medical Expert witness.
- **Master of Science in Epidemiology and Biostatistics** from The University of Cincinnati.
- Served as a **medical director** for the last 15 years revising care management plans and standards for large national and international corporations
- Medical license in 10 states (PA, OH, KY, IA, TX, MI, VA, AZ, OR and ND)
- Honored member - Strathmore's Who's Who in Medicine
- More than 100 National and International presentations
- More than 20 Abstract, presentation and articles in Peer-reviewed journals
- **Excellent administrative and communication skills**
