

## Curriculum Vitae - Ken Larsen, CR®, WLS®, FLS®, CLS®, CMP®, CSDS

2017 Martin L. King Award Recipient  
135 Carson Oaks Lane, Santa Rosa Beach, FL 32459  
(817) 542-1189 • [Ken@drystandard.org](mailto:Ken@drystandard.org)  
(Last updated: See footer)

### EDUCATION

James Fowler High School, Calgary Alberta, Canada 1978

### CERTIFICATIONS

**Of Note: 2017 Recipient of the Martin L. King Award.** (#32) Palm Springs, CA. "Long-time industry vet and activist Ken Larsen is the Restoration Industry Association's choice for the coveted Martin L. King Award. The Martin L. King Award is presented to individuals who are recognized for their extraordinary service and dedication to restoration." (Cleanfax.com)

- Certified Restorer<sup>SM</sup> #250 (NIDR) **CR**®
- Water Loss Specialist<sup>SM</sup> # 024 (WLI) **WLS**®
- Fire Loss Specialist<sup>SM</sup> # 005 (RIA) **FLS**®
- Contents Loss Specialist<sup>SM</sup> #016 (RIA) **CLS**®
- Certified Mold Professional<sup>SM</sup> #049 (RIA) **CMP**®
- Council-certified Structural Drying Supervisor (ACAC) **CSDS**
- Registered Third Party Evaluator® #0001 (IDSO) **RTPE**
- Master Cleaner (ARCA)
- Remediation Technician #29 (Restoration Consultants)
- Master Cleaner (IICRC)
- Master Water Restorer (IICRC)
- Master Textile Cleaner (IICRC)
- **IICRC** Certification (*IICRC #6561*) in the following subjects:
  - Carpet Cleaning
  - Upholstery and Fabric Cleaning
  - Water Damage
  - Water Damage Restoration (Different from above)
  - Odor Control
  - Color Repair
  - Carpet Repair and Reinstallation
  - Fire and Smoke Restoration
  - Applied Microbial Remediation Technician
  - Commercial Drying Specialist
- Applied Structural Drying
- Health and Safety
- Journeyman status in:
  - Textile Cleaner
  - Water Restorer
  - Fire & Smoke Restorer
- **ICRA** Certification (*ICRA #128*) in the following subjects:
  - Structural Drying
  - Microbial Remediation
  - Water Damage Restoration
  - Fire Damage Restoration
  - Carpet Cleaning
  - Color Repair
  - Odor Control
  - Repair and Reinstallation of Carpet
  - Upholstery and Fabric Cleaning
  - Health and Safety
- Master status in:
  - Textile Cleaner
  - Fire & Smoke Restorer
  - Water Restorer
- **P.L.A.N.** Certified Property Loss Appraiser

### LANGUAGES

English – native language

### TEACHING EXPERIENCE

#### Lecturer

- "Lessons Learned During Hurricane Harvey." RIA Annual Conference; Austin TX. 75 in attendance.
- "Registered Third Party Evaluator® Concepts: Impacts for TPA Contractors." RIA Fall Summit, Nashville, TN.
- "Plan for the Future." ASCR International Convention; 1997; 30-minute presentation on systematizing business procedures. 500 in attendance.
- Awarded "Subject Matter Expert" for presentation to Central Coast Claims Association on the topic of "New Perspectives in Water Loss Restoration" 2006.
- "Determining a Dry Standard" delivered at the RIA Convention Garden Grove, CA. 300 in attendance.
- "IICRC S500-2006 Changes our Documentation Practice;" 2-hour presentation. 100 in attendance.

- "Challenging Conventional Drying Wisdom;" 8-hour presentation in Tampa Florida. 75 in attendance.
- "Documentation Practices;" 4-hour presentation; 70 in attendance.
- "Advanced Psychrometry and Documentation Techniques;" 16-hour presentation – 50 in attendance.
- "Responding to Building Disasters;" 2-hour presentation delivered to 50 individuals.
- "Basic Evaporation Physics;" 1-hour presentation delivered to 150 IICRC Instructors at the IICRC Instructor's convention.
- "Advanced Drying Practices;" 8-hour presentation delivered to 80 attendees.
- "Are You REALLY Ready?" 2-hour presentation to two groups of property managers.
- "Advanced Drying with Dalton's Formula;" 4-hour presentation delivered to approximately 80 in attendance.
- "Challenging Conventional Drying Wisdom;" 8-hour presentation delivered to approximately 60 in attendance.
- "Documentation Practices;" 4-hour presentation delivered to approximately 110 in attendance.
- "Define Your Objectives;" 4-hour presentation delivered to approximately 30 in attendance.
- "Drying Log Interpretation;" 1-hour presentation presented twice. Total of approximately 150 adjusters in attendance.
- "Project Management – Systems that Work;" 2-hour presentation delivered to 60 in attendance
- "Ethics" – 1 Hour CEC presentation at National Association of Insurance and Financial Advisors; Montana
- "State of the Water Damage Industry (2015)" – DKI Canada Annual General Meeting. 110 in attendance. Orlando, FL.
- "Fire and Smoke Damage Overview" – Ireland CEC courses for adjusters. 5 events, 107 attendees total.
- "S500-2015; Lemons or Lemonade?" – Insights Conference. Orlando, Florida; 300 in attendance.
- "S500-2015; Lemons or Lemonade?" – Indoor Environmental Science Forum (IESF). Tampa, Florida; 100 in attendance.
- "Working with Assignors and Networkers" - Indoor Environmental Science Forum (IESF). Tampa, Florida; 100 in attendance.
- "Introducing the RTPPE" (Registered Third Party Evaluator®). 2017 RIA Annual Conference, Palm Springs, CA. 300 in attendance.

#### Instructor / Technical Consultant

- "Restoration Practice and Techniques;" 1987 – 1990; Developed and presented seminars designed to educate the adjusting community.
- *Digital PhotoInventory; 2002 – 2005;* Developed and presented a new system of paperless personal contents inventory system. Developed for the contents pack-out industry.
- *One-Day Introduction to Mold Class.* DRI-EAZ PRODUCTS, INC.
- *Adjuster's update. (CEC Course)* DRI-EAZ PRODUCTS, INC.
- *Project Manager Course,* DKI
- *Advanced Building Drying Techniques*
- *Introduction to the IICRC S520 Mold Remediation Standard*
- Various independent financially commissioned events directed at customized training and private business design
- *Ethics – Agent / Adjuster Continuing Education Credit Class.* (Approved in 40+ states (2015))
- *It's Not the Tool that Dries the Structure - Agent / Adjuster Continuing Education Credit Class.* (Approved in 40+ states (2015))
- *Microbial Risk Management - Agent / Adjuster Continuing Education Credit Class.* (Approved in 40+ states (2015))
- *IICRC - Applied Structural Drying (ASD)*
- *IICRC - Water Damage Restoration Technician (WRT)*
- *IICRC - Commercial Drying Specialist (CDS)*
- *ACAC - Council Certified Structural Drying Remediator / Supervisor (CSDR, CSDS)*
- *RIA - Certified Restorer (CR®) Instructor*
- *RIA – Water Loss Specialist (WLS®) Instructor*
- *RIA – Fire Loss Specialist (FLS®) Instructor*
- *ICRA Water Damage Restoration*
- *ICRA – Structural Drying*
- *ICRA – Commercial Drying*
- *DKI Marketing – Insurance Agent / Adjuster Continuing Education courses (approximately 43 States)*
- *Ethics – 3 hour or 1 hour*
- *It's Not the Tool that Dries the Structure – 3 Hour*
- *Microbial Risk Management – 3 hour or 1 Hour*
- *Fire and Smoke Damage Overview – 1-hour CEC*

## RELATED EXPERIENCE

#### Standards Development and Certification Course Development

As an **IICRC** mandate, all Approved IICRC instructors must contribute to standards and course development. Ken Larsen has actively participated in the *development* of the ANSI / IICRC S500-2006 and 2015 S500 Standard and Reference Guide to Professional Water Damage Restoration, as well as the IICRC:

- Water Restoration Technician course (WRT)
- Applied Structural Drying course (ASD)
- Commercial Drying Specialist course (CDS)

Participated in the *development* of **RIA** Advanced credential courses:

- Certified Restorer (CR®)
- Water Loss Specialist (WLS®)
- Fire Loss Specialist (FLS®)

Participated in the *development* of **ACAC** credentialed certifications:

- Council Certified Structural Drying Specialist (CSDS)

#### Inventor

- Co-Invented a patent pending wall drying system. Trade name: *Variduct*
- Designed and produced *DryStandard Report Software* specific to technical report writing on moisture content in structural materials. Trademark: *DryStandard*

**Business Development** – Built and profitably sold CR Restorations Ltd in 1999; a restorative drying specialty service.

Founded International Dry Standard Organization (IDSO) – 2004 to present. Dbas include Restoration Leadership Institute™ (RLI), Restoration Expert Panel (REP), DryStandard Inspections (DSI).

**Environmental Consulting** – Operations Manager for the consulting division of Restoration Consultants, Sacramento, California

**Clean Trust (IICRC) Instructor** – International instructor in water damage restoration (WRT) and applied structural drying (ASD), and commercial drying specialist (CDS).

**ACAC Course** – Approved Council Certified Structural Drying Remediator and Supervisor preparatory course. (CSDR / CSDS)

**ICRA Instructor** – Registered as an instructor of ICRA's Commercial Drying, Structural Drying and Water Damage Restoration courses

## PUBLICATIONS AND PAPERS

Aug 2017	Larsen, K (2017, August; Vol. 54 No. 7) <i>Announcing: RIA's Registered Third Party Evaluator<sup>®</sup> (RTPE)</i> . Cleaning and Restoration Magazine. Pg 11 – 15. The fifth in a five part series identifying true industry experts as RIA Registered Third Party Evaluators (RTPEs).
July 2017	Larsen, K (2017, July; Vol. 54 No. 6) <i>Registered Third Party Evaluators &amp; RIA's Certified Restorer (CR<sup>®</sup>)</i> . Cleaning and Restoration Magazine. Pg 16 – 21. The fourth in a five part series identifying true industry experts as RIA Registered Third Party Evaluators (RTPEs).
June 2017	Larsen, K (2017, June; Vol. 54 No. 5) <i>Registered Third Party Evaluators &amp; RIA's Water Loss Specialist (WLS<sup>®</sup>)</i> . Cleaning and Restoration Magazine. Pg 12 – 17. The third in a five part series identifying true industry experts as RIA Registered Third Party Evaluators (RTPEs).
Apr 2017	Larsen, K (2017, April/May; Vol. 54 No. 4) <i>Registered Third Party Evaluators &amp; RIA's Certified Mold Professional (CMP<sup>®</sup>)</i> . Cleaning and Restoration Magazine. Pg 8 – 11. The second in a five part series identifying true industry experts as RIA Registered Third Party Evaluators (RTPEs).
Mar 2017	Larsen, K (2017, March; Vol. 54 No. 3) <i>The Rise of the Third Party Evaluator<sup>®</sup>; RIA Expert Evaluators Trump TPAs</i> . Cleaning and Restoration Magazine. Pg 6 – 11. The first in a five part series identifying true industry experts as RIA Registered Third Party Evaluators (RTPEs).
Nov 2016	Larsen, K. (2016, Nov / Dec; Vol 15. No. 10). <i>Restorer – Insurer Communication: Build Bridges, Not Walls</i> . Cleaning and Restoration Magazine. Pg 17-21.
Oct 2016	Larsen, K. (2016, October). Unintended Consequences: In-Place Drying and the ANSI/IICRC S500 (Restoration Industry Association) Repurposed article with permission in <i>Cleaning and Restoration Magazine</i> . Pg 15 – 19.
Aug 2016	Larsen, K. (2016, August). Unintended Consequences: In-Place Drying and the ANSI/IICRC S500 (J. Downey, Ed.) <i>The Journal of Cleaning Restoration and Inspection</i> , 3(4), 30 - 34.
Fall 2015	Second Edition. <i>Insights Magazine</i> . Authored two articles published in this edition: We're Being Watched, The Unique Challenges of Calgary Zoo.
Spring 2015	First Edition. <i>Insights Magazine</i> . Authored four articles published in this edition: Are You a Community Resource?, Psychrometric Practice Scenarios, Leverage Your Competence, Working Out of State.
Feb 2015	Larsen, K. (2015, February). Eight Reasons for Caution When Contemplating Elevated Temperature Drying Techniques. (J. Downey, Ed.) <i>The Journal of Cleaning Restoration and Inspection</i> , 2(1), 10 - 17.
Oct 2014	<i>Leadership in Restorative Drying, IICRC CDS</i> . Student workbook for IICRC approved classes in the subject of Commercial Drying Specialist. ISBN: 978-1-4575-3344-0. Library of Congress Control Number: 2014955510.
Aug 2014	<i>Leadership in Restorative Drying, IICRC WRT &amp; ASD</i> . Student workbook for IICRC approved classes in the subject of Water Restoration Technician and Applied Structural Drying. ISBN: 978-1-4575-3011-1. Library of Congress Control Number: 2014955509
Aug 2014	<i>We Dried Out a Zoo!</i> Feature article in Cleaning and Restoration Magazine - USA.
May 2014	Authored 532-page, hard cover book and e-book <b>Leadership in Restorative Drying – Gold Edition</b> . Publisher: Dog Ear Publishing. ISBN 978-1-4575-2901-6. Library of Congress Control Number: 2014955508.
Sept 2013	<i>We Dried Out a Zoo</i> . Cleaning and Restoration PLR Expo Special Edition.
July 2011	Released third edition of <i>Leadership in Restorative Drying</i> .
Jan 2011	Released second edition of <i>Leadership in Restorative Drying</i> .
Dec 2010	Restoration Radio Interview. General discussion surrounding structural restoration. 30 minutes.
Mar 2010	Authored the restoration industry's first triple IICRC approved workbook and reference manual compliant with the IICRC WRT, ASD and CDS learning objectives. Primary recommended reading material for those seeking ACAC CSDR and CSDS certification. <i>Leadership in Restorative Drying</i>
Jan 2010	<i>Advanced Drying with Dalton's Physics</i> . 50-page booklet / workbook outlining the physics of moisture phase change and the responsible use of an evaporation formula produced more than 200 years ago.
Jan 2010	WRT, ASD, CDS Blended IICRC Training Manual. 450-page document used for IICRC training.
July 2009	Radio interview, IAQ Radio. Topic: Restorative Drying Quackery Update. Specifics related to potential inaccuracies within the industry's current training programs. 1.5 hours.
May 2009	Published in Cleaning & Restoration Magazine. "Restorative Drying Quackery." An expose of the industry's education programs and weak drying practices.
April 2009	Published a Feature Article in Claims Magazine. "The Three-Day Drying Myth; Are Some Restorers Using Smoke and Mirrors?"
Dec 2008	Published peer reviewed article on the topic of equilibrium moisture content (EMC) and the influences of humidity on wood. <i>EMC –The Misunderstood Metric</i> . <i>Cleaning &amp; Restoration Magazine</i> .
Mar 2008	Published article on the misuse of the grains per pound measurement within the restoration industry. <i>Voodoo GPP versus Best Practice</i> . <i>Cleanfax Magazine</i> .
April 2007	Published article on identifying controversial psychrometric theories taught within our industry's formal training curriculums. <i>Voodoo Psychrometry versus Best Practice</i> . <i>Cleanfax Magazine</i> .
Sept 2006	Published article on identifying incorrect science in the water damage restoration industry. <i>VooDoo Science versus Best Practice</i> . <i>Cleanfax Magazine</i> .
Jan 2005	Published Eight Article Series on Dry Standard and Documentation. <i>Cleaning and Restoration Magazine, ASCR (partially published)</i> : <ul style="list-style-type: none"> <li>• <i>Meters are Guides not Gods</i></li> <li>• <i>Drying Difficult Materials</i></li> <li>• <i>Drying Concrete</i></li> <li>• <i>How is Dry Standard Determined?</i></li> <li>• <i>Communication and Documentation</i></li> <li>• <i>Writing a Technical Report</i></li> <li>• <i>Third Party Documentation on a Water Damage Loss</i></li> <li>• <i>Being the "Expert"</i></li> </ul>
June 2003	Published article on the role of temperature in drying strategies. <i>Cleanfax magazine</i> ; Don't Take Temperature for Granted.
Jan 2003	Published article on a paperless and accurate contents inventory system. <i>Digital Photographic Inventory Systems, Cleaning and Restoration. ASCR Golden Quill Award, 2004</i>
Jan 2000	Published article on emotional impact of restoration work on tradesmen. <i>The Restorer and his Mindset, Cleaning &amp; Restoration</i>
Sept 1993	Published article on BHT yellowing. <i>BHT Explained, Cleaning &amp; Restoration, September 1993</i>

Nov 1992	Published article on Death Scene Decontamination, <i>Death Scene Decontamination, Cleaning &amp; Restoration, November 1992</i>

## MEMBERSHIPS / AFFILIATIONS

- Restoration Industry Association (RIA – formerly ASCR)
- **Chairman** overseeing **RIA Experts and Instructors** (2016)
- Past British Columbia **Chapter President** for the Association of Specialists in Cleaning and Restoration Intl. (ASCR)
- Past British Columbia **Chapter President** for the Carpet Cleaners Institute of the Northwest. (CCINW)
- The Water Loss Institute (WLI)
- The National Institute of Disaster Restoration (NIDR)
- The Carpet and Upholstery Cleaners Institute (CUCI)
- Mechanical Systems Hygiene Institute **Advisory Committee** (MSHI)
- The Institute of Inspection, Cleaning and Restoration Certification (IICRC)
- Property Claims Forum of California
- American Council of Accredited Certification (ACAC) **Water Damage Restoration Steering Committee; member of the ACAC Accreditation Board**
- Inspection Cleaning and Restoration Association (ICRA)

## EMPLOYMENT - HISTORICAL

- 2016; **International Dry Standard Organization** Family of Companies; Business Development Director.
- 2014; **DKI Ventures LLC**, Chicago, IL. *Director of Education, Consultant;*
- 2008; **Restoration Leadership Institute**, *Director of Education. Direct Supervisor, Dale Sailer. Purchased in 2012.*
- 2007; **Disaster Kleenup International Inc.** Chicago, IL. *Business Development Director, Technical Consultant;*
- 2006; **BMS Catastrophe**, Fort Worth, Texas. *Operations. Large Loss Structural Drying Coordinator. Direct Supervisor: Don Mansir.*
- 2005; International Dry Standard Organization, Ltd (**IDSO**), Anacortes, Washington. *Software Technical Consultant. Technical field consulting to catastrophic events.*
- 2002; **Dri-Eaz Products**, Burlington, Washington. *Applications Educator II. IICRC Instructor of WRT and ASD courses. Curriculum Design. Direct Supervisor: Brandon Burton*
- 2001; **Steamatic of Sacramento**, Sacramento, California. *Production Manager, Systems Design, Trainer. Employer: Charles Cassani, CR®*
- 2000; **Restoration Consultants**, Sacramento, California. *Operations Manager of Environmental Consulting Division. Employer: Jim Holland, CR®, WLS®.*
- 1983; Concord Carpet Care, Vancouver, British Columbia, Canada. *Franchise Owner. Executive. This company evolved over 18 years into a privately-owned corporation that became the name CR Restorations Ltd. The company sold in 1999. Self Employed.*
- 1978; Commercial Carpet Cleaners, Calgary, Alberta, Canada. *Technician*

## CV HISTORICAL – KEN LARSEN, CR®, WLS®, CLS®, CMP®, CSDS

Nov 2019	Attended RIA Technical Fire Restoration Summit, Las Vegas, NV.
Nov 2019	Developed and delivered inaugural <b>RIA Fire Loss Specialist<sup>SM</sup> (FLS<sup>®</sup>)</b> certification course. Las Vegas, NV.
Aug 2019	Radio Interview GCI Consultants. www.everythingbuildingenvelope.com Subject: Your House is Water Damaged – What Now?
Aug 2019	Attended <b>Building Science Annual Symposium</b> , Westford, MA
Aug 2019	Certificate of Special Congressional Recognition presented to Kenneth M Larsen <b>"in recognition of outstanding and invaluable service to the community."</b> Issued by Matt Goetz Member of Congress.
June 2019	Acquired the Property Loss Appraisal Network (P.L.A.N.) Certified Property Loss Appraiser designation.
Mar 2019	Inducted and designated as <b>Contents Loss Specialist (CLS<sup>®</sup>)</b> by the <i>National Institute of Disaster Restoration</i> . CLS <sup>®</sup> #16.
Aug 2018	Attended <b>Building Science Annual Symposium</b> , Westford, MA
Feb 2018	Facilitated: <i>"Lessons Learned During Hurricane Harvey."</i> RIA Annual Convention; Austin TX. 75 in attendance.
Nov 2017	<i>Co-instructor of the RIA Certified Restorer (CR<sup>®</sup>) program with guest instructors in Roselle IL. Legacy Course. Intended to be the final CR<sup>®</sup> Course delivered in the style and content of the originator's; Martin King.</i>
Nov 2017	<i>"Registered Third Party Evaluator<sup>®</sup> Concepts: Impacts for TPA Contractors."</i> RIA Fall Summit, Nashville, TN. 300 in attendance.
Aug 2017	Attended <b>Building Science Annual Symposium</b> , Westford, MA
Aug 2017	Larsen, K (2017, August; Vol. 54 No. 7) <i>Announcing: RIA's Registered Third Party Evaluator<sup>®</sup> (RTPE).</i> Cleaning and Restoration Magazine. Pg 11 – 15. The fifth in a five part series identifying true industry experts as RIA Registered Third Party Evaluators (RTPEs).
July 2017	Larsen, K (2017, July; Vol. 54 No. 6) <i>Registered Third Party Evaluators &amp; RIA's Certified Restorer (CR<sup>®</sup>).</i> Cleaning and Restoration Magazine. Pg 16 – 21. The fourth in a five part series identifying true industry experts as RIA Registered Third Party Evaluators (RTPEs).
June 2017	Cleaning and Restoration Magazine, Martin L. King Award recipient career profile highlight. <b>"Intense Professionalism; Attention to detail defines the career of 2017 Martin L. King Award recipient Ken Larsen."</b> Pg. 18, 19.
June 2017	Larsen, K (2017, June; Vol. 54 No. 5) <i>Registered Third Party Evaluators &amp; RIA's Water Loss Specialist (WLS<sup>®</sup>).</i> Cleaning and Restoration Magazine. Pg 12 – 17. The third in a five part series identifying true industry experts as RIA Registered Third Party Evaluators (RTPEs).
Apr 2017	Larsen, K (2017, April/May; Vol. 54 No. 4) <i>Registered Third Party Evaluators &amp; RIA's Certified Mold Professional (CMP<sup>®</sup>).</i> Cleaning and Restoration Magazine. Pg 8 – 11. The second in a five part series identifying true industry experts as RIA Registered Third Party Evaluators (RTPEs).
Apr 2017	Radio interview, <b>IAQ Radio</b> . Episode 456. "Restoration Contractors of the Future: Will they Get a Spine or be Rolled Over?" With Pete Consigli, CR®, WLS®; Peter Crosa, AIC, RPA; Ed Cross, Esq. 1.5 hours. Related to the subject matter spoken of in the 2017 RIA Annual Conference.
Mar 2017	<b>Recipient of the Martin L. King Award; 2017.</b> (#32) Palm Springs, CA. <i>"Long-time industry vet and activist Ken Larsen is the Restoration Industry Association's choice for the coveted Martin L. King Award. The Martin L. King Award is presented to individuals who are recognized for their extraordinary service and dedication to restoration."</i> (Cleanfax.com)

Mar 2017	Attended <b>RIA Convention</b> , Palm Springs, CA. Inducted (pinned) CR® Inductees.
Mar 2017	Larsen, K (2017, March; Vol. 54 No. 3) <i>The Rise of the Third Party Evaluator®</i> ; <i>RIA Expert Evaluators Trump TPAs</i> Cleaning and Restoration Magazine. Pg 6 – 11. The first in a five part series identifying true industry experts as RIA Registered Third Party Evaluators (RTPEs).
Mar 2017	Founded and Registered as an IDSO Registered Third Party Evaluator® ( <b>RTPE</b> ); #0001.
Feb 2017	<i>Double Presentation</i> ; "S500-2015; Lemons or Lemonade?" and "Working with Assignors and Networkers" – Indoor Environmental Science Forum ( <b>IESF</b> ). Tampa, Florida; 100 in attendance.
Nov 2016	Larsen, K. (2016, Nov / Dec; Vol 15. No. 10). <i>Restorer – Insurer Communication: Build Bridges, Not Walls</i> . Cleaning and Restoration Magazine. Pg 17-21.
Nov 2016	Attended the <b>RIA Certified Mold Professional (CMP®)</b> course. Indoor Environmental Professional formal training. Dallas, TX. (Grade: 91%). Establishes "IEP" status. Awarded CMP® number 49, March 2017.
Nov 2016	Primary instructor of the <b>RIA Certified Restorer (CR®) program (85%)</b> with guest instructors in Roselle IL. <i>Legacy Course. Intended to be the final CR® Course delivered in the style and content of the originator's; Martin King.</i>
Nov 2016	Radio interview, <b>IAQ Radio</b> . Episode 436. Topic: The State of Industry Education & Certification: Part 3. The discussion has centered on how to make industry education more credible and valuable for those in the field and for their employers who are paying the freight. 1.5 hours.
Oct 2016	Larsen, K. (2016, October). Unintended Consequences: In-Place Drying and the ANSI/IICRC S500 (Restoration Industry Association) Repurposed article with permission in <i>Cleaning and Restoration Magazine</i> . Pg 15 – 19.
Oct 2016	Provided instruction at RIA <b>Water Loss Specialist (WLS®) program</b> . Nashville, TN.
Aug 2016	Radio interview, <b>IAQ Radio</b> . Episode 426. Topic: Concerns Over the State of the Water Damage Restoration Industry. Co-presented with Cliff Zlotnik, John Downey and guests. 1.5 hours. Related to the subject matter spoken of in the IICRC Journal, Aug 2016.
Aug 2016	Larsen, K. (2016, August). Unintended Consequences: In-Place Drying and the ANSI/IICRC S500 (J. Downey, Ed.) <i>The Journal of Cleaning Restoration and Inspection</i> , 3(4), 30 - 34.
Aug 2016	Attended <b>Building Science Annual Symposium</b> , Westford, MA
Mar 2016	<b>Chairman</b> overseeing <b>RIA Experts and Instructors (2016)</b> .
Mar 2016	Radio interview, <b>IAQ Radio</b> . Episode 407. Topic: Restoration Industry Association 70 <sup>th</sup> Anniversary Convention recap. Co-presented with Pete Consigli. 1.5 hours.
Mar 2016	Attended <b>RIA Convention</b> , Orlando, FL. Inducted (pinned) CR® Inductees.
Feb 2016	"S500-2015; Lemons or Lemonade?" – Insights Conference. Orlando, Florida; 300 in attendance.
Feb 2016	Launched <i>Restoration Expert Panel (REP)</i> ; a dba of IDSO Inc. A service that provides technical consulting and dispute resolution on matters related to structural restoration.
Feb 2016	RIA Education Committee: Instructors, Trainers and SME's (subject matter experts) Liaison. Chairman for new RIA trainers, etc. vetted by this group and liaison to the RIA Education Committee.
Dec 2015	RIA Building Science Course for CR® and WLS®, Burlington, WA
Dec 2015	Applied Structural Drying (ASD) Caucus meeting, Drying Standards Course, Burlington, WA.
Nov 2015	Registered as an instructor qualified to teach <b>ICRA</b> Commercial Drying, Structural Drying and Water Damage Restoration courses.
Nov 2015	Taught the <b>RIA Certified Restorer (CR®) program</b> co-instructed with Cliff Zlotnik in Roselle IL.
Oct 2015	Attended IICRC Instructors Symposium, Las Vegas NV.
Sept 2015	<i>Fire and Smoke Overview</i> . Continuing Education Course for Insurance Representatives in Ireland; Dublin, Limerick and Cork. 107 in attendance.
Aug 2015	<i>Grandfathered status into ICRA credentialing in the following subjects: ICRA Certification (ICRA #128)</i> in the following subjects: Structural Drying, Microbial Remediation, Water Damage Restoration, Fire Damage Restoration, Carpet Cleaning, Color Repair, Odor Control, Repair and Reinstallation of Carpet, Upholstery and Fabric Cleaning, Health and Safety. Master status in: Cleaner in Textiles, Restorer in Fire Damage, Restorer in Water Damage.
Fall 2015	Second Edition. <i>Insights Magazine</i> . Authored two articles published in this edition: We're Being Watched, The Unique Challenges of Calgary Zoo.
Aug 2015	Attended <b>Building Science Annual Symposium</b> , Westford, MA
June 2015	"State of the Water Damage Industry (2015)" – <i>DKI Canada Annual General Meeting</i> . 110 in attendance. Orlando, FL.
May 2015	Attended <b>RIA Convention</b> , Las Vegas, NV. Inducted (pinned) CR® Inductees.
Spring 2015	First Edition. <i>Insights Magazine</i> . Authored four articles published in this edition: <i>Are You a Community Resource? Psychrometric Practice Scenarios, Leverage Your Competence, Working Out of State.</i>
Spring 2015	Created registered and approved to deliver three (3) insurance agent / adjuster Continuing Education Courses on the subjects: "Ethics," "It's Not the Tool that Dries the Structure" and "Microbial Risk Management." Most of these courses registered in approximately 43 states.
Mar 2015	Attended <b>Insights</b> Conference, DKI Annual Convention. New Orleans, LA
Feb 2015	Taught the <b>RIA Certified Restorer (CR®) program</b> co-instructed with Norris Gearhart in Charlotte, NC.
Feb 2015	Larsen, K. (2015, February). Eight Reasons for Caution When Contemplating Elevated Temperature Drying Techniques. (J. Downey, Ed.) <i>The Journal of Cleaning Restoration and Inspection</i> , 2(1), 10 - 17.
Oct 2014	<i>Ethics</i> – Continuing Education Credit (CEC) course at National Association of Insurance and Financial Advisors (NAIFA) Convention.
Aug 2014	<i>Leadership in Restorative Drying, IICRC WRT &amp; ASD</i> . Student workbook for IICRC approved classes in the subject of Water Restoration Technician and Applied Structural Drying. Registered in US Library of Congress. ISBN: 978-1-4575-3011-1.
Aug 2014	<i>We Dried Out a Zoo!</i> Feature article in <i>Cleaning and Restoration Magazine</i> - USA.
May 2014	Authored 530-page, hard cover book and e-book <b>Leadership in Restorative Drying – Gold Edition</b> . ISBN 978-1-4575-2901-6. Registered with the US Library of Congress.
Apr 2014	Delivered presentation: "Project Management – Systems that Work." The Experience; Dallas, Texas. Sixty in attendance.
Apr 2014	Attended <b>RIA Convention</b> , Orlando FL. Inducted (pinned) CR® Inductees. Received Appreciation Award.
Mar 2014	Developed and delivered two-day <b>Project Manager Course</b> . Phoenix, Arizona.
Feb 2014	<b>DKI Ventures LLC</b> . Chicago, IL. Full time employed as <i>Director of Education, Consultant</i>
Nov 2013	Taught the <b>RIA Certified Restorer (CR®) program</b> with Norris Gearhart in Atlanta, GA. Largest class size in CR® history.
Sept 2013	<b>Published</b> <i>We Dried Out a Zoo</i> . <i>Cleaning and Restoration</i> PLR Expo Special Edition.
Sept 2013	Private <b>expert witness consultation and training</b> with leading Canadian / Crown Counsel criminal expert, Ruben (Barry) Bennett.
Aug 2013	AGI v Montoya. <b>Expert witness deposition</b> , California plaintiff.
Aug 2013	<b>Independent technical consultation</b> ; residential HVAC exterior condensation issues. St Thomas US Virgin Islands.
