

CURRICULUM VITAE

Lorne Sheldon Label, MD, MBA, CPE, FAAN

2100 Lynn Road, Suite 230

Thousand Oaks, California 91360

Telephone: 805-497-4500, Fax 805-495-1717

E-mail: drlabel@cns-neurology.com

~~~~~  
**BIRTHPLACE:**

Montreal, Quebec, Canada

Naturalized U.S. Citizen, 1986

**CURRENT POSITION:**

**Clinical Professor of Neurology**, David Geffen School of Medicine at UCLA

**Adjunct Faculty, Loyola Marymount University**

**Private Practice:**

**UCLA Health Neurology, Thousand Oaks, CA.**

Adult and Pediatric Neurology

Medical Acupuncture

**EDUCATION:**

**High School:** West Hill High School, Montreal, Canada, 1965 - 1969

**Undergraduate:** McGill University, Montreal, Canada, 1969 – 1970

University of Texas at Austin-BA in Psychology with  
High Honors, 1970 - 1973

**Graduate:** University of Texas at Austin-Department of  
Major Field of study – Neuronal Regeneration,  
Supervisor - Dr. George Bittner, 1973 – 1974

California Lutheran University, Thousand Oaks, CA-MBA,  
Healthcare Management, 1998

American College of Physician Executives-CPE, Certified  
Physician Executive, November 2012

**Medical School:** University of Texas Medical Branch, Galveston, Texas-MD,  
1974 - 1978

National Institute of Health, Bethesda, Maryland-Clinical  
Psychopharmacology, 1978

|                    |                                                                                                                                                                     |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Internship:</b> | St. Joseph Mercy Hospital-Affiliate of University of Michigan; Internal Medicine, 1978 - 1979                                                                       |
| <b>Residency:</b>  | University of Michigan Medical Center-Neurology, 1979 - 1982                                                                                                        |
| <b>Fellowship:</b> | Clinical Neuromuscular Diseases, USC Neuromuscular Center, Director, Dr. W. King Engel, 1982 - 1983                                                                 |
| <b>Honors:</b>     | Academic Honor Societies; Phi Beta Kappa, Phi Kappa Phi, Psi Chi (International Psychology Honor Society) Alpha Epsilon Delta (International Pre-Med Honor Society) |

#### **BOARD CERTIFICATIONS:**

Diplomate, American Board of Psychiatry and Neurology, April 1984

National Board of Medical Examiners, 1978

FLEX, 1978

#### **MEDICAL LICENSURES:**

California, June 1982

#### **SOCIETY MEMBERSHIPS:**

Fellow of American Academy of Neurology

American Association for Physician Leadership (formerly American College of Physician Executives)

American Association of Electromyography and Electrodiagnostic Medicine

American Academy of Medical Acupuncture

Ventura County Medical Society

California Medical Association

## **HOSPITAL APPOINTMENTS**

David Geffen School of Medicine at UCLA, 1983 – present

Los Robles Regional Medical Center, 1983 - present

"Transcranial Doppler Study, Cerebrovascular Implication"- Westlake Hospital, Westlake Village, CA, May 1987

"Peripheral Neuropathy" - Westlake Medical Center, Westlake Village, CA, January 1984

"Electromyography" - Simi Valley Adventist Hospital, Simi Valley, CA, December 1983

"Post-Traumatic Head and Neck Pain, Muscle Trauma and Healing"  
UCLA Extension Course, Los Angeles, CA, May 1983

"Kohlmeir-Degos Disease, an Unusual Polyradiculopathy"- Michigan Neurological Association, October 10, 1981

"Multiple Sclerosis" - Eastern Michigan University, Department of Occupation Therapy, September 9, 1980

"Meningitis and Encephalitis" - Eastern Michigan University, Department of Occupational Therapy, September 16, 1980

## **RESEARCH EXPERIENCE:**

Electron microscopy of kainic acid lesioning of retinal cells  
(Dr. K. Redman, University of Texas at Houston)

Vertebrate stereotactic stimulations and lesioning. (Study of locomotion and dyskinesias,  
with Robert Grossman, M.D., Galveston, Texas)

Transmission electron microscopy, light microscopy, and associated tissue processing.

(Study of neuronal degeneration and regeneration in invertebrates, with George Bittner,  
Ph.D., Austin, Texas)

Electrophoretic and chromatographic techniques. (Study of enzyme purification, with  
Robert Wagner, Ph.D., Austin, Texas)

## **BOOKS:**

Lorne S. Label, M.D. Editor in Chief - "Injuries and Disorders of the Head and Brain"  
Mosby - Year Book Inc. 1997

## **CHAPTERS:**

Label, Lorne S., Cranial Nerves and Organs of Special Sense, Chapter 84, Attorneys'  
Textbook of Medicine, LexisNexis, December 2005, Volume III
